

# Ecke Ranch - The Flower Fields Annuals

This FastFax provides general growing guidelines for Outback Plants®.

## SPRING PRODUCTION

### Mini Outback Daisies (Brachyscome)

Product	Color	Mix	Habit	Vigor	Timing	Comments
Mauve Delight	mauve	pastel	mounded	medium	8-12 wks	Easy; requires minimal pruning; strong spready underground runners.
Mini Yellow"	yellow	vibrant	mounded	medium	10-12 wks.	Easy; moderate pruning required.

### Jumbo Outback Daisies (Brachyscome)

Product	Color	Mix	Habit	Vigor	Timing	Comments
Jumbo Mauve"	mauve/blue	pastel/vibrant	mounded	medium	10-14 wks.	Jumbo Daisies have broader leaves, large flowers and perform well in areas of combined heat and humidity. Misty Lilac is more upright in growth habit than Jumbo.
Jumbo Misty Lilac	lavender/pink	pastel	mounded	medium	10-14 wks.	

### Outback Fan Flowers (Scaevola)

Product	Color	Mix	Habit	Vigor	Timing	Comments
Fan Dancer"	purple	vibrant	upright	vigorous	8-12 wks	Benefits from several prunings, as branches trail beyond the sides of pots. Pinch back to sides 4-6 weeks after potting to force fuller growth habit.
Purple Fan"	light purple	vibrant	trailing	vigorous	12-16 wks	
White Fan"	white	pastel/vibrant	trailing	vigorous	8-12 wks	

### Outback Paper Daisies (Bracteantha-Helichrysum)

Product	Color	Mix	Habit	Vigor	Timing	Comments
Florabella White	white	pastel/vibrant	mounded	medium-vigorous	12-16 wks.	Nice, upright growth with full branching habit. Prefers slightly dry soil conditions and deep containers. Best choice for large pots or cool production temperatures.
Florabella Gold	gold	vibrant	mounded	medium-vigorous	12-16 wks.	
Wallaby Ice	Cream White	pastel	mounded	medium	8-10 wks	Full, mounded growth with full branch? Prefer slightly dry soil conditions and deep containers. Best choice for smaller pots and warm production temperatures.
Wallaby White	White	pastel/vibrant	mounded	medium	8-10 wks	
Wallaby Flame	Red	vibrant	mounded	medium	8-10 wks	
Wallaby Orange Blaze	Orange	vibrant	mounded	medium	8-10 wks	
Wallaby Pink Glow	Dark Pink	vibrant	mounded	medium	8-10 wks	

## SUMMER PRODUCTION

### Mini Outback Daisies (Brachyscome)

Product	Color	Mix	Habit	Vigor	Timing	Comments
Mauve Delight	mauve	pastel	mounded	medium	8-12 wks	Easy; requires minimal pruning; strong spready underground runners.
Mini Yellow"	yellow	vibrant	loosely mounded	medium	10-14 wks.	Easy; moderate pruning required.
Strawberry Mousse	pink	pastel	mounded	medium	8-12 wks	Cultivar has large leaves, strong spreading by underground runners.
Metalic Blue	powder blue	pastel	upright	vigorous	10-12 wks	Flower size is midpoint between mini & jumbo daisies. Foliage is very fine. Avoid keeping soil too wet.
Moonlight	white	pastel/vibrant	mounded	medium	8-12 wks	Easy; minimal pruning required.

### Jumbo Outback Daisies (Brachyscome)

Product	Color	Mix	Habit	Vigor	Timing	Comments
Jumbo Mauve"	mauve/blue	pastel/vibrant	mounded	medium	10-14 wks.	Jumbo Daisies have broader leaves, large flowers and perform well in areas of combined heat and humidity. Misty Lilac is more upright in growth habit than Jumbo. Provide finished plants partial shade for best performance in summer heat.
Jumbo Misty Lilac	lavender/pink	pastel	mounded	medium	10-14 wks.	

### Outback Fan Flowers (Scaevola)

Product	Color	Mix	Habit	Vigor	Timing	Comments
Fan Dancer"	purple	vibrant	mounding	vigorous	10-12 wks	Benefits from several prunings, as branches trail beyond the sides of pots. Pinch back to sides 4-6 weeks after

Outback Plants FASTFAX CROP SCHEDULING

Sparkling Fan"	purple/white bicolor	pastel	mounding	vigorous	10-12 wks	Ideal for use summer where Bacopa has been used in spring. Flower size & leaf shape are similar, but Scaevola are tolerant of summer heat.
White Fan"	white	pastel/vibrant	trailing	vigorous	10-12 wks	
Royal Blue	blue	pastel	trailing	mounding	10-12 wks	
Royal Pink		pastel	trailing	mounding	10-12 wks	

**Outback Paper Daisies (Bracteantha-Helichrysum)**

Product	Color	Mix	Habit	Vigor	Timing	Comments
Florabella White	white	pastel/vibrant	mounded	medium-vigorous	12-16 wks.	Nice, upright growth with full branching habit. Prefers slightly dry soil conditions and deep containers. Best choice for large pots or cool production temperatures.
Florabella Gold	gold	vibrant	mounded	medium-vigorous	12-16 wks.	
Wallaby Ice	Cream White	pastel	mounded	medium	8-10 wks	Full, mounded growth with full branch. Prefer slightly dry soil conditions and deep containers. Best choice for smaller pots and warm production temperatures.
Wallaby White	White	pastel/vibrant	mounded	medium	8-10 wks	
Wallaby Flame	Red	vibrant	mounded	medium	8-10 wks	
Wallaby Orange Blaze	Orange	vibrant	mounded	medium	8-10 wks	
Wallaby Pink Glow	Dark Pink	vibrant	mounded	medium	8-10 wks
